for Parents**

**Career  
Guidance and  
Counselling**

**Sports  
& Games**

**Learning  
Support  
System**

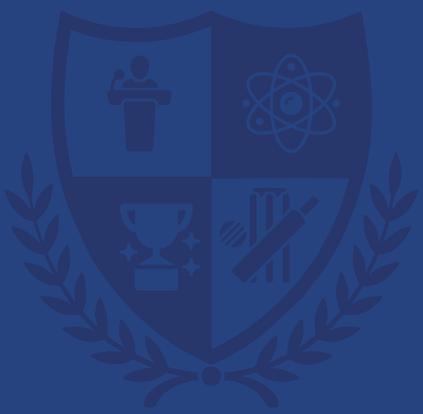

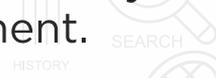

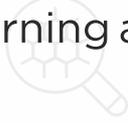

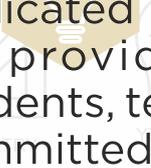

**Health &  
Hygiene**

**Teachers  
Training**

**Well-being of Students  
and Teachers**

Unified Education Foundation is dedicated to transforming education by providing holistic support to students, teachers, and parents. We are committed to fostering growth in every aspect of learning and development.

# Our Focus Areas:

- ✔ Learning Support System: Tailored assistance to enhance students' academic performance.
- ✔ Career Guidance and Counselling: Helping students chart their path to a successful future.
- ✔ Health and Hygiene: Promoting well-being through awareness and practical initiatives.
- ✔ Sports and Games: Encouraging physical fitness and teamwork.
- ✔ Well-being of Students and Teachers: Prioritizing mental and emotional health in education.
- ✔ Teachers Training: Empowering educators with the skills to inspire and engage.
- ✔ Guidance for Parents: Providing tools and insights to support their children's educational journey.
- ✔ Inculcation of Values and Character Building: Instilling strong moral foundations and character development.
- ✔ Art and Cultural Activities: Nurturing creativity and cultural appreciation through artistic expression.

## Drawing Workshop

For 165 students preparing for the Elementary & Intermediate Grade Drawing Exams by the Directorate of Art, Maharashtra. Students were mentored by professional artists to enhance skills and unlock creative potential.

## Scholarship Exam Support

117 students of Std. 5 & 8 trained for the MSCE Scholarship Exam. **Subjects covered:** Mental & Logical Ability, Maths, Science, English, and Social Science. Aimed at improving comprehension, reasoning, and exam readiness.

## School Reach & Impact

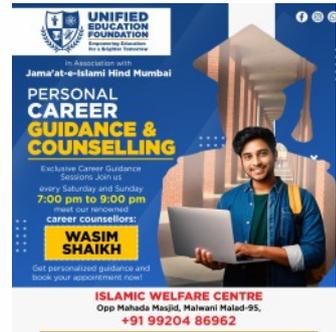

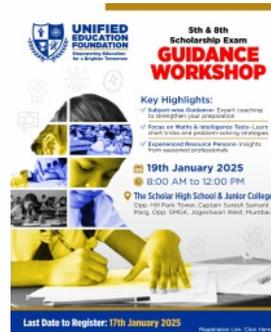

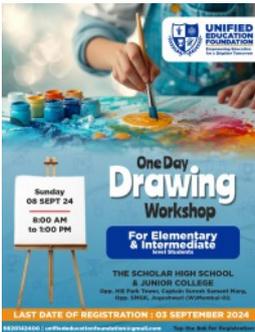

UEF has partnered with 45 schools in Andheri, Jogeshwari, and Millat Nagar (Mumbai), benefiting **hundreds of students** through academic support, workshops, and enrichment programs.

## Guest Talks & Awareness Drives

Held on topics such as **digital well-being**, personal safety, and **value-based leadership**, inspiring young minds to think critically and ethically.
